The Art School at the Ed Alliance has been responsible for my reconnection with making art. I've been a student there for 3 years, and I've taken all sorts of classes, always looking forward to the next one I can take. It makes me really sad to know that the art school will be lost. I hope you will reconsider this decision, b/c making art accessible to the "average joe" is such a gift, and I know that I'm extremely appreciative.
